

How we build reality

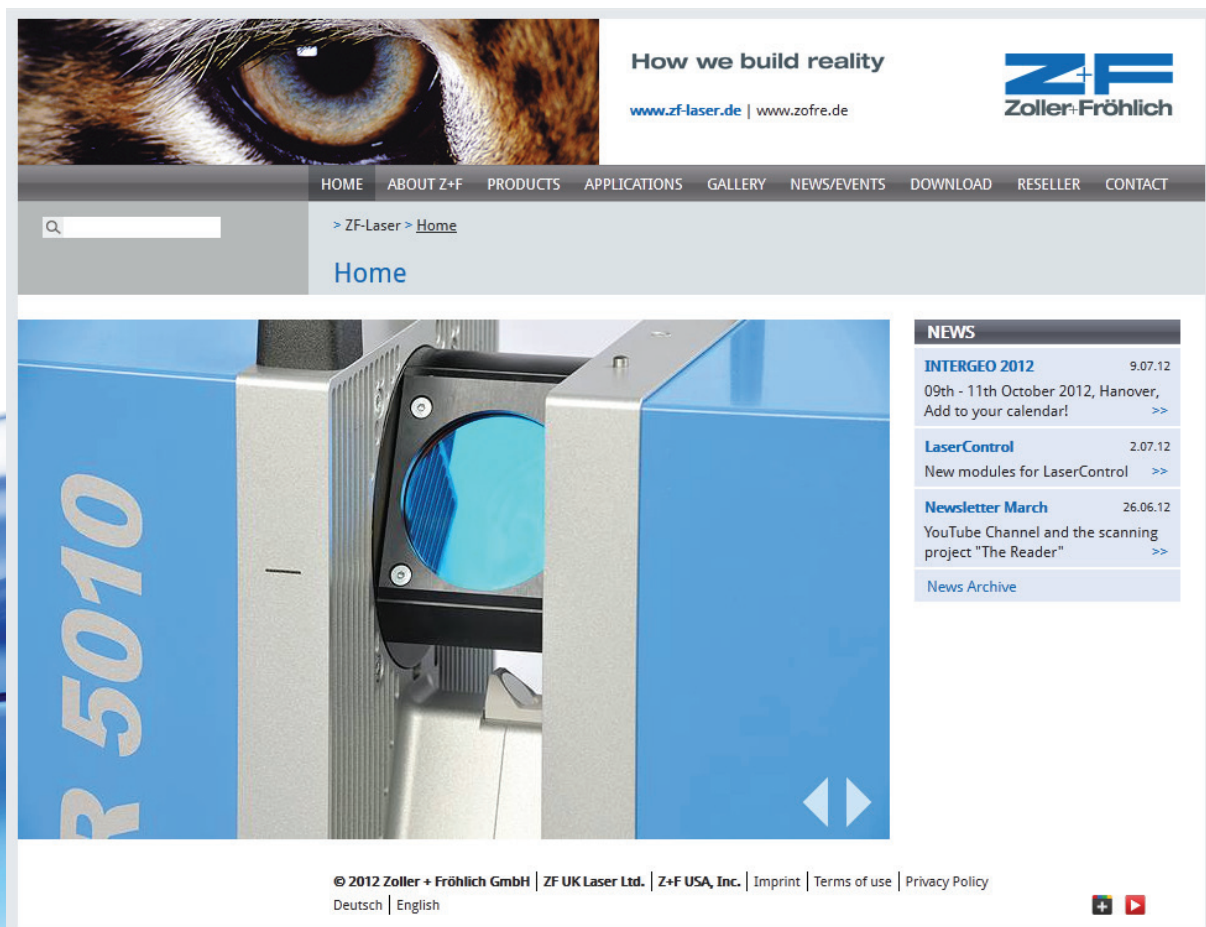

Z+F News August

New design, best usability!

On the 1st of August we presented our new website. With new design and best usability Zoller + Fröhlich takes a step forward on offering best service to our existing and potential customers.

You can find for example detailed product information, an overview about our company and current news and events on our new website. Visit www.zf-laser.com. We look forward to receiving your feedback.

If you do miss any information please write an e-mail to marketing@zf-laser.com. We will send you the missing data immediately.

The screenshot shows the Z+F website homepage. At the top left is a close-up image of a tiger's eye. To its right is the slogan "How we build reality" and the website addresses "www.zf-laser.de | www.zofre.de". The Z+F logo is in the top right corner. Below this is a navigation menu with links: HOME, ABOUT Z+F, PRODUCTS, APPLICATIONS, GALLERY, NEWS/EVENTS, DOWNLOAD, RESELLER, CONTACT. A search bar is on the left, and the breadcrumb trail shows "> ZF-Laser > Home". The main content area features a large image of a laser machine with "R 5010" on its side. To the right of the image is a "NEWS" section with three items: "INTERGEO 2012" (9.07.12), "LaserControl" (2.07.12), and "Newsletter March" (26.06.12). At the bottom of the page, there is a footer with copyright information: "© 2012 Zoller + Fröhlich GmbH | ZF UK Laser Ltd. | Z+F USA, Inc. | Imprint | Terms of use | Privacy Policy" and language options "Deutsch | English".
